

LOCAL COMMUNITIES POLICY

Heiton Steel is one of the leading manufacturers of cut & bent reinforcement steel in Ireland. Heiton Steel is committed to identifying and consulting with local community Stakeholders directly affected by the activities and operations of the cut & bend process.

Heiton Steel is committed to:

- ❖ Recording all complaints from local community Stakeholders and any subsequent and associated actions including prosecutions.*
- ❖ Regularly reviewing performance in terms of local community relationships, liaison activities and complaints incidents.*
- ❖ Reporting on local community engagement, liaison activities and complaint incidents to Stakeholders.*
- ❖ Compiling external verification of its local community engagement, liaison activities and complaint incidents.*
- ❖ Supporting local sourcing of products and services along with the use of local staff and expertise where appropriate and practical.*
- ❖ Fulfilling all regulatory / compliance requirements.*
- ❖ Communicating the Local Communities Policy amongst all Stakeholders*

The General Manager and all management employees in the reinforcement sector at Heiton Steel are committed to identifying and consulting with local community Stakeholders directly affected by activities and operations of the cut & bend process and undertake to review and revise the Policy for continuing suitability.
