

## LOCAL SOURCING POLICY

*Heiton Steel is one of the leading manufacturers of cut & bent reinforcement steel in Ireland. Heiton Steel is committed to the promotion of locally sourced products and services along with the employment of local staff and expertise where appropriate and practical within the cut & bend process.*

*Local suppliers and services are defined as those that are based in the same geographic market as Heiton Steel.*

*Heiton Steel is committed to:*

- ❖ Giving preference to local suppliers when sourcing goods and services.*
- ❖ Considering the environmental and social impacts when sourcing goods and services.*
- ❖ Considering the quality and cost effectiveness when sourcing goods and services.*
- ❖ Recognising and valuing diversity amongst Suppliers including those owned by individuals from under-represented groups within the local community.*
- ❖ Communicating the Local Sourcing Policy amongst all Stakeholders*

*The General Manager and all management employees in the reinforcement sector at Heiton Steel are committed to promoting locally sourced products and services along with the employment of local staff and expertise where appropriate and practical within the cut & bend process and undertake to review and revise the Policy for continuing suitability.*
